Dear Volunteer,

In today's very busy world, it is amazing how many people find the time to make volunteerism a part of their lives. Ruth Pawson Elementary School is very fortunate to have so many individuals that take time out of their busy days to assist us with school activities and meeting our school goals. Each week our school has many volunteers enter through the doors. In fact 72 volunteers have dedicated their time to Pawson School throughout the year. These volunteers do a variety of tasks – going on field trips, participating on our School Community Council, assisting with classroom activities, coaching our sports teams, driving students to sports events and many others.

Every member of our school knows that without you, our volunteers, we would not be able to do or provide as many activities as we would like. To honour your volunteerism and dedication to our students we would like to dedicate a library book in your name to thank you for all that you have done.

*One of the greatest gifts you can give
is your time!*

Sincerely,

Kim Markwart
Principal
